LAR letter for firms/companies - Version 2004-01

City,

Date

To the ccTLD "it" Registry
Institute for Informatics and
Telematics of CNR
Via Giuseppe Moruzzi, 1
56124 Pisa

Object: request for the registration of the domain
name.....

Here, the undersigned.....entitled, for the present agreement, to represent the company/firm (indicate the business name in full, and the name and surname of the legal representative, if different from the entitled person), registered at the Chamber of Commerce and/or at the Enterprises Registry of with number..... on(day/month/year)....., VAT number, whose head office is located in, asks for the registration of the above mentioned domain name according to the technical specifications that are included within the technical registration form forwarded(via E-mail) to the ccTLD "it" Registry (hereinafter referred to as the Registry)by the provider/maintainer (indicate the exact "tag" of the provider/maintainer which will forward the technical registration form to the Registry). Furthermore, he/she undertakes the responsibilities coming from the use and management of the domain name and pledges him/herself to inform immediately the Registry of any future changes related to:

- change of the business name;
- change of provider/maintainer;
- change of admin-c;
- termination of the domain name use;

Particularly, here the undersigned declares under his/her responsibility that he/she:

- a) is aware and accepts that the assignment of a domain name and its registration are subject to the ccTLD "it" domain names assignment and maintenance Rules and any further amendments;
- b) is aware of and accepts the rules for a "good use" of the Internet resources as established in the "Netiquette" document, published on the Registry website, as well as commits him/herself to respect them;
- c) is aware of and accepts the procedure concerning the dispute resolution as established in article 14 of the ccTLD "it" domain names assignment and maintenance Rules;
- d) has the title to use the requested domain name and/or the juridical disposability of the requested domain names, and therefore, if registering the requested domain name, is not prejudicial to someone else rights;
- e) entitles the Registry to insert the registration data of the domain in the public database (Register of Assigned Names) of the Registry itself;

- f) guarantees the accessibility via E-mail of all the people indicated in the "postmaster" tag of the domain registration form, given that the Registry will insert them into the mailing list of the Italian postmasters;
- g) relieves the Registry of any responsibility coming from the assignment and use of the domain name that the requesting organisation will carry out;
- h) is aware that, in the instance of false or erroneous declaration in the context of the present request, the Registry will ensure the immediate cancellation of the domain name, unless more extended legal action is in progress;
- i) is aware of the Italian Codes rules regarding the right of having a name and the individual people right of protecting their names;
- j) accepts the Italian jurisdiction and the laws of the Italian legal system;
